

Dear Families:

Attached is our enrollment packet for the 2014-2015 school year. Please read the Enrollment Agreement carefully and complete the Application Form, the Enrollment Contract Agreement and the Emergency Contact/Parental Consent Form. A current health appraisal, including immunizations and screenings must also be a part of your child's file. We know that completing this paperwork seems tedious, but we must have this information to comply with state licensing regulations and to ensure your child's safety.

In order to meet our rising operating costs, there will be a slight increase of fees in September. We don't need to tell you that quality childcare and early education is expensive. However, in order for quality care to exist, we must be able to provide decent wages and benefits for early childhood educators.

We also want to make you aware to the work of our Parent Advisory Committee. This committee plans special events, fund raisers, and works to facilitate communication between families, the director, and the non-profit board. All parents are invited to be part of this committee. At the back of this packet you will find a Parent Advisory Committee Survey, and a form to fill out if you are interested in being included in a Parent Directory. These forms can be returned to the office with your enrollment packet. Please be on the look-out for an announcement regarding our first Parent Advisory Committee Meeting.

We are excited about our current school year. We have a dedicated and creative staff that provides your children with a nurturing and stimulating environment. We will continue with our theme-based curriculum and our center based approach. We are proud of the fact that we are accredited by NAEYC, and have earned a **4 STAR RATING IN PENNSYLVANIA'S KEYSTONE STAR PROGRAM**. These citations reflect our commitment to providing quality early childhood education, and care to the children we serve. As always we appreciate your continued support. If you have any questions about the enrollment packet, please call our office at 215-248-3080 ext.3
